

Fill the Fence Raise the Roof

The NYSA continues our rebuilding following the May 2010 Flood! Our current campaign is focused on building a combined Concessions and Board building. We have been running our concession sales (used to help cover our referee and maintenance costs) from a shed that we were able to gut and salvage. All of our organizational needs – recordkeeping, board meeting space, storage space for shirt sales, etc. all have been forced to move offsite vs. a unified space.

Join us as we “Fill the Fence and Raise the Roof!”

Your company benefits through inexpensive options for targeted advertising exposure and by generating goodwill within our community! Order now and receive additional FREE weeks during our registration and pre-season period! Read on for more details.

The Nashville Youth Soccer Association (NYSA) is one of the top youth soccer programs available within the Middle Tennessee area offering two 10-week seasons (Fall and Spring) for players ages 3 – 18 of all skill levels. We are pleased to enjoy a solid reputation for providing a positive soccer experience for our players for 30+ years. Our main objectives remain focused towards learning to play, improving skills, developing good sportsmanship, team building, and encouraging a love of soccer to last a lifetime!

The NYSA is a non-profit, all volunteer organization comprised primarily of players' parents offering their time and talent to keep things moving forward. We strive to keep our fees reasonable -- typically offering a longer season for less. 100 percent of our budget is used to pay league expenses, make improvements to the fields, and maintain our complex. Additionally, each year we are proud to host the premier Kick It 3 v.3 tournament, occasional training camps, and more!

We are pleased to now extend an opportunity to area businesses! Join us in our continuous efforts to grow and improve our program by sponsoring vibrant advertising banners prominently displayed and viewable from our main playing areas.
